

FIXED BOLLARD RANGE: SS168FBVR1

Vandal Resistant Anti Ram Raid Shopping Centre Bollard

The Supamaxx™ Anti Ram Raid High Security bollard has been specifically designed, to impede and prevent ram raids on shopping centres and retail outlets. The Anti Ram Raid range of Shopping Centre bollards have been tested and approved by Westfield shopping centres, after passing the 'Cutting / Acetylene / Ram Raid Resistant,' (C.A.R.) tests. This testing is considered by the Security Industry to be the Benchmark for all shopping centres. Combine a discreet architectural profile with pure functionality.
