

# FOLD DOWN BOLLARD: BASE PLATE POWDER COATED

The Supamaxx™ range of Fold Down bollards can be your first line of defence in protecting your private car space from unauthorized vehicles. Supamaxx Fold Down Bollards are designed for areas that require vehicle access control to help cater your specific needs.

- 100% Made in Australia and 'Not a Cheap Import'
- Zinc Treated to protect against corrosion
- Professionally Powder Coated with U.V stabilized coatings that protect from pre-mutually fade and rust.
- Quality & Reliability that puts Supamaxx ahead of all competition

The superior Supamaxx manufacturing process of all Powder Coated bollards receives a premium Zinc Treatment and then Powder Coated to ensure maximum protection and wear for the life of the bollard. Unless otherwise specified, all Supamaxx bollards are powder coated 'Safety Yellow', with other colours available on request.
