

# 140MM BASE PLATE REMOVABLE: STAINLESS STEEL (Flat Tops)

The Supamaxx™ range of 140mm 'Flat Top' Stainless Steel Baseplate Mounted Locking & Removable bollards are an ideal solution where core drilling is not advisable, such as post tension suspended slabs, and where access control to restricted areas is required.

The Stainless Steel bollard range is the architects preferred choice when making a visual statement with its contemporary style complementing any environment.

- 100% Made in Australia and 'Not a Cheap Import'
- Impressive sleek finish to compliment any building or structure
- Manufactured using Grade 304 Stainless Steel
- Professionally Linished to a Grade 4 Finish
- Quality & Reliability that puts Supamaxx ahead of all competition
