

140MM FIXED RANGE: GALVANISED

The Supamaxx™ range of 140mm Galvanised Fixed bollards can be your first line of defence in protecting your property and assets, whilst allowing the flexibility of access control to restricted areas. Supamaxx offers a choice of 2 versions in this range that offer different levels of security to cater for your particular security needs.

- 100% Made in Australia and 'Not a Cheap Import'
- Galvanised for superior protection against corrosion
- Quality & Reliability that puts Supamaxx ahead of all competition

The superior Supamaxx manufacturing process of all Galvanised bollards ensures maximum protection and wear for the life of the bollard.
