

168MM FIXED RANGE: STAINLESS STEEL (Sloping Tops)

The Supamaxx™ range of 168mm 'Sloping Top' Stainless Steel Fixed bollards can be your first line of defence in protecting your property and assets, whilst allowing the flexibility of access control to restricted areas. Supamaxx offers a choice of 2 versions in this range that offer different levels of security to cater for your particular security needs.

- 100% Made in Australia and 'Not a Cheap Import'
- The Ultimate Sculptured finish to compliment any building or structure
- Manufactured using Grade 304 Stainless Steel
- Professionally Linished to a Grade 4 Finish
- Quality & Reliability that puts Supamaxx ahead of all competition

The superior Supamaxx manufacturing process of all Stainless Steel bollards receives a Professional Grade 4 Linished Finish that is aesthetically pleasing and easy to clean. Unless otherwise specified, all Supamaxx Stainless Steel Flat Top design bollards are manufactured using Grade 304 Stainless Steel with Marine Grade 316 available on Request.
